STAR Testing

A reminder to all families that STAR Testing has begun this week and will continue into next week. Please make sure to avoid scheduling medical and dental appointments in the morning during testing time. There will be makeup days, in case students are absent due to illness. Please remind students to get a good night's rest and eat a healthy breakfast before school and bring a healthy snack for recess.

Jog-A-Thon

Yesterday's Jog-A-Thon was a success. We raised \$9,255.59! We want to especially thank everyone who brought in money on the last two days that really pushed us closer to our overall goal. We also want to congratulate our top money earners: Annemarie Do (2nd Grade; Tickets to Legoland), Callie Arkansas (Kindergarten; Playstation 4) and Josephine Tran (7th Grade; \$200 gift card)! Many thanks to our **all parent and all family volunteers** who helped out yesterday, including Mrs. Peterson (Anthony, 5th), Mrs. Lemus (Bertha 8th), Mrs. Loyola (Sofia 3rd) for coordinating families.

Bishop Flores Scholarships

This year the scholarship application is available online. ALL families that are considering requesting financial aid **MUST APPLY**. The cost is \$25. All paperwork must be submitted properly to be eligible. This was #1 reason for ineligibility for scholarships last year. If you are having trouble filling out the application, please stop by the office to arrange a time where we can help.

The link for the Bishop Flores Scholarship application is located here:

Lenten Meals

Our first Lenten Meal will be this Friday, February 12. Please join us for a delicious meatless meal to support our school. Lenten Meal dinners are at Hannon Hall (OLSH parish hall) starting at 5pm. If you have previously signed up to help at one of the Lenten Meals, you will be re-notified this week.

Catholic Schools Week

A big thank you to all those who helped with our Catholic Schools Week activities, especially our teachers and students! Please see our Facebook page for photos.

SchoolSpeak

We invite all families to submit an updated email address to the office so that you can receive School Speak updates. All school communication will be done exclusively through School Speak, so it is important we have the correct family information. If you are having trouble accessing School Speak, please stop by the office during regular office hours 7:30 am to 4 p.m.
