Welcome Back!

We are all very happy to see all of you returning and new students. We are looking forward to another fun and exciting year of learning opportunities. We also are happy to see our returning teachers and staff and our new teachers. Please spread the word about OLSH and if you are interested in telling your OLSH story at another parish, please contact us. We will be promoting our school in various parishes without schools this month.

World's Finest Chocolates

For those families who are interested in starting their fundraising commitment early this year, we have cases of World's Finest Chocolates that we will be selling this year. Each case is \$60 (60 \$1 bars) and contains a variety of chocolate bars (milk chocolate, almond, and crunch). This is a simple way to begin your fundraising commitment for this new school year. Please stop by the office to pick up a case.

Family Handbook

Thank you to all those families that came to the Back to School Meet and Greet and received their Family Handbooks along with the school forms. Thank you also for returning your completed forms. We still have many families that need to stop by to receive the Family Handbook and forms. It is important to return all forms for the overall safety and accuracy of our student body.

Uniforms & Lunch

Please make sure that your child is in the complete uniform every day. **P.E. does not begin until Sept. 12th.** The uniform policy must be followed daily. Please see your OLSH Family Handbook for further information. Please also be aware that the National School Lunch Program does not begin until Tuesday, Sept. 6. Healthy lunch and snacks should be the only option sent to school. Any fast food items and/or unhealthy snacks will be held in the office until the student goes home.

Cell Phone Policy

We are reminding families and advising new families that our cell phone policy remains the same. Students must turn in their cell phones to the office, where they will be stored individually within the cell phone container. This is kept in the office, in case of emergencies. Students will collect their cell phones at the end of the day from the cell phone assistant. Any student who does not turn in their cell phone will have it confiscated and turned into the principal, and will be returned to a parent or guardian after school.
